Eye on the Indices

As of 9/30/2020

The performance data quoted represents past performance. Past performance does not guarantee future results. Current performance may be lower or higher than the performance information quoted.

Returns are shown in percent and those of one year or longer have been annualized.

Returns listed assume reinvestment of all dividend and capital gain distributions; they do not reflect the deduction of any fees charged by an independent investment advisor or other service provider to an individual account. Such fee, if taken into consideration, will reduce the performance quoted above.

Investors cannot invest directly in an index. Indexes are unmanaged and reflect reinvested dividends and/or distributions, but do not reflect sales charges, commissions, expenses or taxes.

Index used for comparison is deemed the best available and may differ from prospectus index. Some indexes are not available for full period of the fund.

This information is being provided as a convenience and is not an offer to sell. Information from sources deemed reliable, but its accuracy cannot be guaranteed.
